

Thank you!

**"None of us got to where we are alone.
Whether the assistance we received was
obvious or subtle, acknowledging someone's
help is a big part of understanding the
importance of saying thank you."**

- Harvey Mackay

**Your support in pre-ordering the Deimos
Engine is invaluable. I am truly honored to
have your support and will do my best to
develop the most robust and easy to use 3D
environment system for Game Maker Studio!**

**Thank you for being with me on this
adventure, and keep your eyes peeled for the
beta release of the Wad Lab, coming soon!**
